Important things that we should know about your child, ie. medical issues etc.
<p>Important things that you should know about Cambio Cumbre:</p> <p>Our motto is "<b>We Create Champions</b>" which is why we focus so much on training and development. We encourage fair play in a competitive environment and we don't focus on match score lines as children join our club with different levels of futsal knowledge.</p> <p>We have strict codes of conduct for both players and parents and hope that everyone involved will benefit positively from their experience at Cumbre.</p> <p>We value your feedback as we're always looking at ways to improve how we do things at the club.</p>
